

Recital Costume Info

We will notify each class by email what day to pick up your costume.

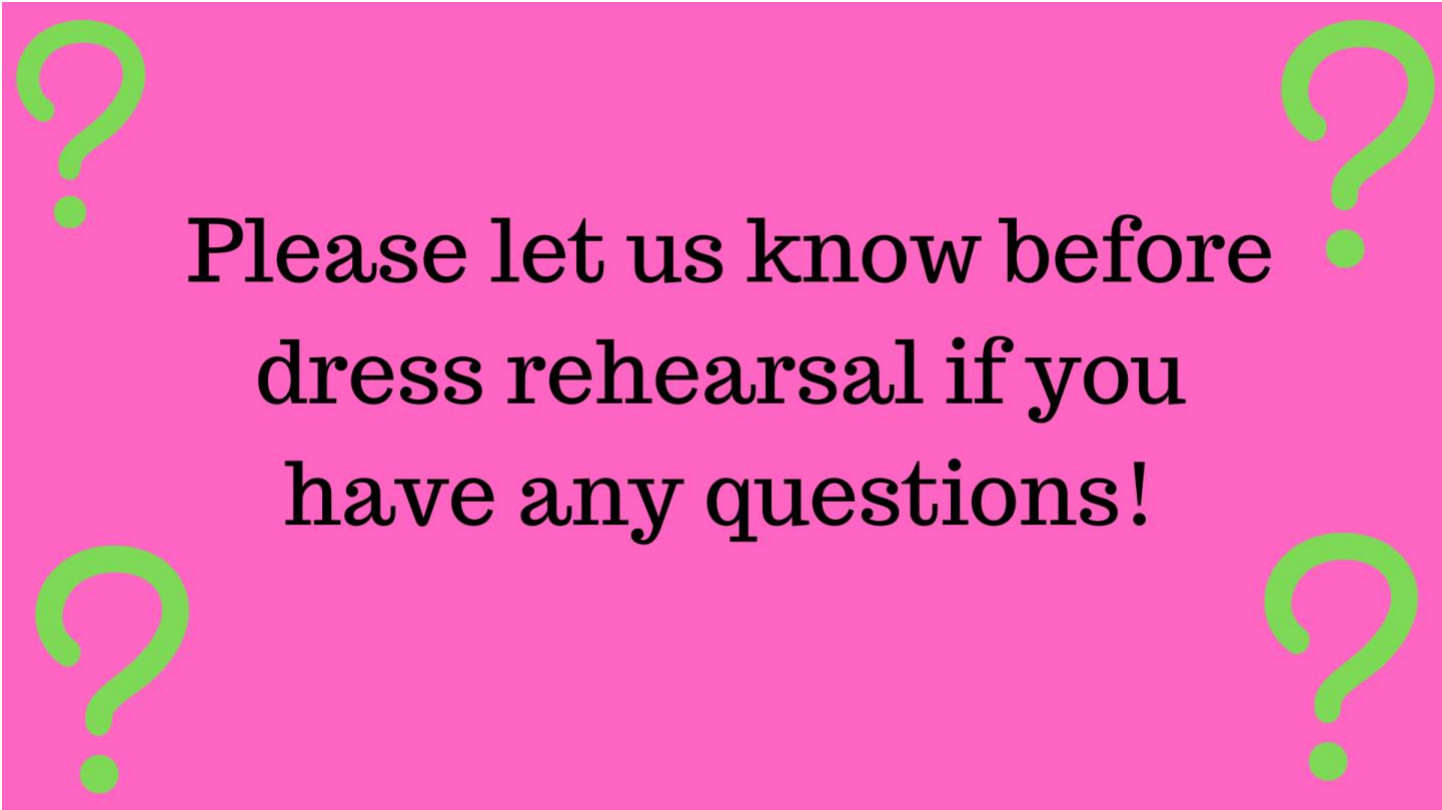

Parents please come upstairs the last 10 minutes of class on that day. Sign for, and receive your dancer's costume outside.

On the pocket of your garment bag you will find information on your dancer's hairstyle, tights and shoes.

In the back pocket of the garment bag will be tights and/or any additional accessories.

Please let us know before
dress rehearsal if you
have any questions!
